## We travel to Cambodia to explore...

This monday the 14th of october Philip Nunn and I (Mart-Jan) will travel to Cambodia. This is the trip we've mentioned in our latest newsletter.

Via this short letter we would like to give you some practical information, enabling you to pray with us for this trip.

In the column at the right you have a brief travel schedule. This is the schedule as it is arranged right now. There will probably be changes along the trip, but by it you might have at least an indication on the planning.

Please join us in prayer for the following topics:

1. Safety while we travel. We will travel to different places and need safety for that. Since the elections in Cambodia the situation has become less safe.

2. Good contact with the team that we will meet in Cambodia. We would like to know if this is the place where we should work. We do have a number of questions that we would like to address during the trip. Pray for clearance during the talks.
3. Talitha stays at home to take care for the kids. Pray for energy, strength and possibilities (via internet) for us to catch up during the trip.
4. Philip will address the congregation in Phnom Penh on sundays, and we will together speak during a meeting in the university. Pray that we might be a blessing as well.

We would like to thank you in advance for your prayers and support. It is a blessing to travel and to know that you are
